

Technical Data

Double 13 Amp Power Socket Door Chime

Brief product description:

Innovative power socket with built-in wireless door chime that can replace any standard socket. A neat solution with no loss of valuable power sockets.

White moulded round edge, sleek and slim with softly rounded edges.

Features:

- Integrated door chime keeps sockets free
- 100m (open air) wireless range - suitable for large homes
- Adjustable volume up to 80dB - volume button for easy adjustment and mute LED visual option
- LED indicator - visual indication of door chime activation
- 6 melodies - a choice of 4 x 'Ding Dong' and 2 x 'Westminster'
- Random generated one in a million pairing code for no interference
- Produced in white moulded urea material with inherent anti-microbial properties
- Screw cover caps for a sleek appearance
- Angled, colour coded terminals with captive screws
- Twin earth for high integrity circuits
- Minimum mounting box depth: 25mm
- Battery powered IP44 rated push button supplied with CR2032 battery
